Welcome Message

Welcoming Pediatric Professionals to TG PEDICON 2024

We are excited to invite you to the landmark 10th Annual PATS TG PEDICON 2024, scheduled for October 18th with enriching workshops, followed by our conference on the 19th and 20th of October at the Satya Sai Convention Center, Warangal after almost 3 decades.

The theme for this year's TG PEDICON (Pediatric Care beyond Boundaries : Sharing Knowledge , Saving Lives) is centered around advancements and innovations in pediatric care, focusing on enhancing health outcomes for children of all ages at grassroot level in peripheries. This conference serves as a significant platform for pediatric professionals across the nation to share insights, latest research findings, and clinical practices and experiences in the field of pediatrics.

Situated in the historically rich city of Warangal, once the seat of the great Kakatiya Dynasty, our venue is in the heart of Telangana's rich heritage. The city of Warangal, recognized for its monumental forts and temples such as the Thousand Pillars Temple, Bhadrakali Temple, Ramappa temple and the Grand Warangal Fort, is a symbol of resilience and cultural depth, reflecting the spirit of our pediatric community's dedication to future generations.

Warangal being the second largest city after Hyderabad is also a part of the Tri-City junction along with Kazipet and Hanamkonda, famous not just for their historical significance but also for their modern contributions to education and healthcare. The Satya Sai Convention Center, located amidst these enriching surroundings, offers a fitting atmosphere for learning and collaboration academically and culturally.

TG PEDICON 2024 is more than just a conference; it's an opportunity to engage with pioneers in pediatric healthcare, share valuable insights, and collaborations that shape the future of pediatric medicine. Scheduled workshops on October 18th will feature hands-on sessions and discussions led by experts in various pediatric specialties and subspecialties.

In addition to the scientific feast, experience the cultural vibrancy and hospitality of Warangal during your stay. The city is adorned with festivities and the famous Bathukamma festival celebrated by the women of Warangal, showcasing the rich floral heritage and spirit of the community.

We eagerly await your participation in TG PEDICON 2024, where the past and future of pediatric healthcare will converge in an inspiring two-day event. Help us share the excitement by inviting peers and colleagues who are as passionate about pediatric healthcare as you are.

Together, let's advance the world of pediatrics and transform child care for generations to come.

With Warm Wishes,
Team TG PEDICON 2024
